

EDGE (Entrepreneurship Discovery & Growth Engine) is the home of entrepreneurship and changemaking at Sheridan. Its newest program, VenturED, provides hands on opportunities to develop students' creativity, innovation and leadership skills.

EDGE in Class

Presentations

Hear why entrepreneurship matters and what EDGE can offer students and alumni.

Workshops

Host an interactive workshop on an entrepreneurial topic tailored to your course's learning outcomes.

Assignments

Meet assignment learning outcomes in a creative way by collaborating with EDGE or an EDGE startup.

Capstone Integrations

Engage EDGE startups as clients for student capstone projects.

EDGE on Campus

EDGE Programs

Students develop a startup or social enterprise with EDGE's support.

Co-Curricular Record (CCR)

Students earn CCR credit by participating in EDGE projects or programming.

Co-op on the EDGE

Students build their own venture during a co-op term, supported by training and mentorship.

Work with EDGE

Top student talent is frequently recruited by EDGE and its startups. For postings:
